

PARTS OF A TEXT

Pointing out the parts of a text and the information they give us help to build better understanding of the story as a whole. Every time you read ask your child if they can show you the parts of a text!

CAN YOU FIND...

- The front of the book
- The back of the book
- The title
- The author's name
- The illustrator's name
- The spine
- The title page
- A page in the book
- A word on a page
- Where to start reading
- Where to stop reading
- A period or question mark
- A capital letter
- A lowercase letter
